**ACADEMIC
HONORS DAY
2021**

The Financial Executives International - Houston Chapter (FEI) honors twelve accounting or finance students attending accredited colleges and universities in Southeast Texas annually with a scholarship award and an Academic Honors Program. The Academic Honors Day (AHD) is held each February and is hosted by a local Houston business organization in conjunction with FEI.

By linking the award of financial support to students with exposure to real world experiences as part of the FEI's Academic Honors Program, we can better personalize the educational experience. Our focus is on ethical business conduct and the pursuit of accounting and finance as outstanding career choices.

Since 1970, the FEI Houston Scholarship Foundation organization has awarded over \$830,000 in scholarships through its Academic Honors Program, funded primarily by the FEI Houston Chapter, voluntary contributions and Corporate Sponsors. Thank you to all who have been involved and donated over this extended period.

During the Academic Honors Day program the students experience the opportunity to interact with both senior management and a short tenure employee panel comprised of recent hires in both industry and the public accounting profession, to broaden their experience.

The mission of the FEI Houston Scholarship Foundation is to protect and strengthen the financial viability of the Houston FEI Academic Honors Program that provides student opportunities for recruiting, mentoring and business exposure and awards non-discriminatory, needs-based scholarships to high caliber accounting and finance students attending accredited Southeast Texas area universities who can be future financial leaders.

The long-range goal is to create an endowment with annual income sufficient to fund the scholarship program on a continuing basis and to facilitate the relationship between local business school deans, the Houston Chapter of FEI and leading corporate organizations to benefit future students and local industry.

The FEI Scholarship Foundation is a 501(c)(3) charitable organization.
